### Wreck This Floor, Please.

Okay. So we like to wreck things! Not just for any ol' reason but to put our toughest laminate flooring to the test. Watch as we install 12 mm Toklo on our outdoor patio and let the wind, rain, sun and snow of the Pacific Northwest have at 'er.

### Designer-eye for the regular guy (or gal).

Have trouble judging what your floor will look like from a wood sample? Don't know if dark wood is too dark or just the right tone? Leave it to the techies at BuildDirect to come up with a stylish solution.

Introducing our new and improved [Room Designer](#). Room Designer does more than help you imagine what your floor will look like-it lets our wood flooring audition for a place in your home.

Room Designer is fun. Set the room, decor and wall color before choosing the kind of flooring you want to see. All in a few easy clicks.

See Yanchi, Burlington, Jasper, Mazama, Lamton, Vanier and even Toklo in action before you buy. Room Designer lets you try out flooring options you might have dismissed and minimizes your chances of making a choice you can't live with.

## LEARNING CENTER

### Gimme a D, gimme 3 Es, gimme a C. What does that spell?

Not much. But it does sum up a bunch of reasons why laminate flooring is so popular:

- Durability
- Easy installation
- Even easier maintenance
- Economics and
- Choice

Laminates have good looks and good fundamentals making it a good choice over carpeting, tile and other types of flooring. [Learn about it all](#) and scroll to the bottom of the page for a better understanding of laminates.
